Copy of letter No.157/2/49/Q, H.Q. Bangalore Area, dated, Bangalore, 13 Jul, 42, to the Civil Liaison Officer, Bangalore.

Subject: OCCUPATION OF LANDS IN THE MYSORE STATE BY
THE MILITARY AUTHORITIES.

A copy of letter No.R.F.-148-42/Pol. dated 11th July, 1942, from the Secretary to the Hon'ble the Resident in Mysore is forwarded herewith.

This H.Q. is of opinion that no lands in the Mysore limits are occupied prior to your negotiations with the owner. Please confirm.

Please confirm these H.Qs. that negotiations were made by you direct with the landlord to occupy the sites referred to in the above quoted letter.

Copy of letter Memorandum No.R.F.108-42/Pol. dated 11th July, 1942 from the Secretary to the Hon'ble the Resident in Mysore to H.Q., Bangalore Area.

Subject: OCCUPATION OF LANDS IN THE MYSORE STATE BY
THE MILITARY AUTHORITIES.

Reference your endorsement No.157/2/14/Q dated the 6 Jun, 42.

2. The Government of Mysore again point out that the occupation of lands in the Mysore State by the Military authorities without their previous permission still continues. They quote the following two instances:-

- (1) United States Air Force entered on certain lands near the Hindustan Aircraft Ltd., and constructed huts on them.
- (2) Military authorities (European Artillery) entered the State Plantations round about Jakkur and pitched tents therein and set up machine guns and damaged casurina and sandal plants.

3. It is requested that instructions may kindly be issued to all formations that they should adhere to the principal of obtaining the previous permission of the Government of Mysore in all cases where lands are occupied for military purposes.

It will be appreciated that the Mysore Government have no desire to obstruct, on the contrary they have granted innumerable concessions and facilities in connection with Military expansion around Bangalore, but when lands are entered upon without the previous knowledge of the Mysore Government, the latter become involved in considerable difficulties with the owners of the land. The procedure for obtaining possession of land required for defence purposes has been reduced to a minimum all that is necessary is to make contact with Mr. Krishnachar C/o Deputy Commissioner, Bangalore District, who has been placed on special duty exclusively for this purpose by the Mysore Government. As soon as Mr. Krishnachar has been taken to see the land he reports in person to the Chief Secretary, Mysore Government and orders are issued in the shortest possible time. In order to expedite matters, it is essential that Mr. Krishnachar be consulted as soon as a project is mooted without waiting for a final decision, to adopt it. He will then in most cases have obtained orders before it is desired to enter on the land. If the project is not finally approved by the Military authorities no harm is done. The Hon'ble the Resident trusts that this procedure will be strictly followed in future.

Lands - Mysore State.

In inviting reference to paragraph 2 of this office letter No. Pol. 2249 dated the 29th May 1942 indicating the procedure to be followed regarding the occupation of lands in the State by the Military authorities and to your reply dated the 13th June 1942 in the matter, I am directed to state that the Deputy Commissioner, Bangalore, has forwarded to this office a copy of a letter No. R.F. 108-42/Pol. dated the 11th July 1942 addressed by you to Headquarters Bangalore, from which it is seen that the military are advised to make contact with the Civil Officer, Bangalore, who is expected to get into touch with Government and obtain their orders. I am to state that this procedure may not be suitable seeing that Mr. Krishnaraj is a subordinate officer who cannot be expected to anticipate the views of this Government, after considering the proposals in their wider aspects. As the Government of Mysore have since appointed the Revenue Commissioner as the Liaison Officer, they consider that in urgent cases this officer should be consulted and not the Civil Officer. I am to request that if there is no objection, the instructions sent by you may be modified accordingly and the modified procedure intimated to this Government.
